Subject: Opposed to Bill 69

Aloha Committee Chair Kobayashi and members of the Budget Committee,

Please vote NO on Bill 69.

Allowing bus advertising signs will be so detrimental to the scenic beauty of Hawaii that we all enjoy.

The relatively small revenue it would generate is not worth setting a precedent that could affect the proliferation of unsightly signs in the future, to say nothing of the highly likely litigation that will result when attempts to regulate the sign content are challenged.

Thank you,
Diane Harding
